

GOOD WILL HUNTING - WILL & DR. MAQUIRE

DR MAQUIRE

How are ya? Where ya from in Southie?

WILL

I like what you've done with the place.

DR MAQUIRE

Thanks.

WILL

Did you buy all these book retail, or did you send away for like a shrink kit that comes with all these volumes included?

DR MAQUIRE

Do you like books?

WILL

Yeah.

DR MAQUIRE

Did you read any of these books?

WILL

I dunno.

DR MAQUIRE

What about any of these books?

WILL

Probably not.

DR MAQUIRE

What about the ones on the top shelf? Did you read those?

WILL

Yeah, I read those...

DR MAQUIRE

Good for you.

What do you think about them?

WILL

Hey.

I not here for a freaking book report.

Why don't you read them?

DR MAQUIRE

I did.

I had to.

WILL

That must have taken you a long time.

DR MAQUIRE

Yeah, it did.

WILL

The United States of America, a complete history,
vol 1.

You want to read a real history book, you should
read Howard Zen's People's
History of the United States.

That book will really knock you on your butt.

DR MAQUIRE

Better than Chomsky's Manufacturing Consent?

Do you think that's a good
book?

WILL

You people baffle me.

You spend all your money on all these fancy
books, you surround yourself with them, and
they're the wrong damn books.

DR MAQUIRE

What are the right books?

WILL

Whatever blows your hair back.

DR MAQUIRE

I haven't got much hair left.

Hey, you know you'd be better off shoving that
cigarette up your butt.

It'll probably be much healthier for you.

WILL
Yeah, it really gets in the way with my Yoga.

DR MAQUIRE
You work out, huh?

WILL
What? You lift?

DR MAQUIRE
Yeah.

WILL
Ah, nautilus?

DR MAQUIRE
No, free weights.

WILL
Oh, really?

DR MAQUIRE
Yeah.

WILL
Free weights, huh?

DR MAQUIRE
Yeah, big time.

WILL
Ah.

DR MAQUIRE
Yeah, just like that.

WILL
What do you bench?

DR MAQUIRE
285.
What do you bench?

WILL
Did you paint that?

DR MAQUIRE
Yeah.
Do you paint?

WILL
Uh uh.

DR MAQUIRE
Do you sculpt?

WILL
No.

DR MAQUIRE
Like art? Do you like music?

WILL
It's a real piece of garbage.

DR MAQUIRE
Oh.
Well, tell me what you really think.

WILL
It's just that the linear & impression mix, makes it a
very muddled composition. It's also a Winslow
Homer rip-off, except that you have whitey rowing
the boat in there.

DR MAQUIRE
It's not Monet.
It's not very good.

WILL
That's not what concerns me, though.

DR MAQUIRE
What concerns you?

WILL
It's the coloring.

DR MAQUIRE
You know what the real bitch of it is? It's paint by
number.

WILL

Is it color by number, too? Because the colors are
fascinating to me.

DR MAQUIRE

Are they really? What about that?

WILL

I think you are about one step away from cutting
your left ear off.

DR MAQUIRE

Really.

WILL

Oh yeah.

DR MAQUIRE

Think I should move to the south of France?
Change my name to Vincent?

WILL

You ever hear the saying, "Any port in the storm"?

DR MAQUIRE

Yeah.

WILL

Maybe that means you.

DR MAQUIRE

In what way.

WILL

Maybe you're in a storm.

A big killer storm.

The sky is falling on your head.

The waves are crashing over your little boat.

The oars are about to snap.

You just wet your pants crying for the harbor, so
you just do what ya gotta do to get out.

And maybe you became a psychologist.

DR MAQUIRE
Bingo.
That's it.
Now let me do my job.
You started with me.

WILL
Maybe you married the wrong woman.

DR MAQUIRE
Maybe you should watch you mouth.
Watch it right there, chief.
Alright?

WILL
I'd say that's it.
You married the wrong woman.
What happened? Did she leave you? Was she
doing some other guy?

DR MAQUIRE
If you ever disrespect my wife again, I will end you.
I will end you.
Got that, chief?

WILL
Time's up.

DR MAQUIRE
Yeah.
